The listed calorie content represents the recommended serving size for a single portion.

All items are kept chilled after preparation. Reheating instructions included. Prices are subject to change without notice. Maui platters will appear different than shown. 2,000 calories a day is used for general nutrition advice, but calorie needs vary. Additional nutrition information available upon request. Consuming raw seafood may increase your risk of foodborne illness, especially if you have certain medical conditions.

Pā'ina Platters

Recommended! — Serves 10-12

These items are handpicked-crowd pleasers at any potluck, picnic, or family gathering. Perfect for outdoor events such as sports games, fundraisers, and much more!

Be sure to follow the heating instructions prior to serving. If you would like your platters heated for pickup, please let the store team know when placing the order.
